

## FRENCH WIN GERMAN TRENCHES IN FIGHT WITH HAND GRENADES

CONTINUED ADVANCE TOWARD  
IMPORTANT RAILROAD  
REPORTED.

### KUROPATKIN TAKES COMMAND

Russian Hero of Turkish War Works  
With the Russ Minister  
of War.

(Associated Press)  
In the great battle in the Artois district the French have made further progress by attacks with hand grenades on the German trenches, says the Paris announcement today.

Counter Attack Checked.  
The German counter attack near Maisons de Champagne has been checked.

Germans have violently bombarded the French trenches near Soupir, to the north of Aisne.

Noted Men Killed.

Prince Henri Joseph of the French House of Cholemon has been killed in the fighting in the Champagne district; while Captain Harold Cawley, a member of the British parliament, has lost his life on the Dardanelles.

Kuropatkin In Command.

General Kuropatkin, who won fame in the war against Turkey in 1877 and who commanded the Russian forces in the war with Japan until he was defeated at Mukden, has been appointed chief of the Grenadier corps, according to Petrograd. It was recently reported in Berlin that the actual control of the Russian army would be placed in the hands of Kuropatkin and War Minister Polivanoff.

Turks Sink Torpedo Boat.

A Constantinople dispatch says the Turkish coast batteries sank an enemy torpedo boat near Kerevedire, checked in East.

On the eastern front the Teutonic progress is slower in most sections, and is checked altogether in others, Petrograd reports.

Bulgars Entrenching.  
Advances of the Italian army report that the Bulgarians are entrenching all along the Serbian frontier.

Vladivostok today heard that Premier Rasoolov of Bulgaria will visit Berlin in the near future.

Sentiment Wavering.

On the other hand Rome says the sentiment in favor of Russia is increasing in Bulgaria and that King Ferdinand is wavering.

French Bear Brunt.

The French are bearing the brunt of the fighting on the western front, and are hammering at the second German line in the Champagne district in the direction of the Grand railway, London cables.

Big British Force.

The British forces in France are estimated at 1,000,000 and they will soon be increased by 500,000. The daily lengthening obituary columns in the London newspapers are beginning to measure the price being paid by the British for their recent offensive campaign.

German Statement.

Berlin today claims that the British have ceased their attacks and that the Germans have made further progress north of Loos; that all French attacks in Champagne have failed and that during September the Germans captured 96,000 Russians and 300 machine guns.

To Help Bulgarians.

British Secretary of Foreign Affairs today announced that Austria and Germany were sending officers to Bulgaria to direct the Bulgarian armies.

Germans Outnumbered.

The Cologne Gazette says the Germans on the west front are outnumbered four to one.

### ROAD GRADING IS PROHIBITED

State Highway Commission Says the  
Work Must Stop Sept. 1.

Road superintendents in Illinois have received word from the state highway commission telling them to permit no road grading after Sept. 1 of each year. They are instructed to rigidly enforce the order. The commission holds that when grading is done after this time of the year the dirt does not have sufficient time to settle before freezing weather and that consequently the road is in bad condition all winter. Dragging to smooth the highways is permitted all the year however.

### JURY TRIAL FOR JONES

The case of Elias Jones, arrested recently on a charge of assault and battery preferred by John Klein, was called before Justice Geo. W. Hill this morning. Attorneys Kent and Brooks for the defendant asked for a change of venue and the case was taken before Justice Grover Gehant and a jury trial requested. A jury was not secured until the noon recess and the examination of witnesses was taken up after dinner.

The jury found the defendant guilty and assessed a fine of \$5 and the costs.

## Six Young Men Turn Over With Auto; None Hurt

Clarence Turner And Albert Far-  
num Of Dixon Were  
In Party

Clarence Turner and Albert Far-num of this city were members of a party of six young men who were near injury after midnight Thursday when the automobile in which they were returning from the corn carnival at Rock Falls turned over on the Sterling-Dixon road near Prairieville.

The car was owned and driven by James Sullivan of Rochelle who with Rochelle friends spent the early evening in this city. Turner and Far-num were invited to join the four Rochelle youths in their trip to the corn carnival, and accordingly spent the evening with them there.

On the return trip as the car was speeding along near Prairieville, the front axle broke and in an instant the machine was thrown onto its side. Fortunately it did not turn completely over and aside from bruises and scratches none of the occupants were injured.

## INDIANA MEN HERE TO GET THEIR BOYS

FATHERS OF BOYS WHO RAN OFF  
WITH AUTO ARRIVED  
HERE TODAY.

BOYS LIKED COUNTRY TRIP

Homer E. Starin and Thomas P. Huntington arrived here this morning from Bloomington, Ind., to take their sons home, the boys having been picked up on request of the parents, by Chief of Police Tourtellott Wednesday night at the Alvin Stees home in Penrose, Whiteside county. The boys left home in the Starin car Thursday for a trip, with no particular place in view. They first went to Louisville, Ky., then to Mitchell, Ind. where they met a friend, Otis Fisher, whom they induced to accompany them. The three then went to Chicago, when Fisher suggested a visit with his relatives in Whiteside county. They came to Dixon Tuesday night and remained while repairs were being made to the auto. They left Wednesday morning for Penrose and after they left there a telegram from the parents was received by Chief Tourtellott and the chief went after the young men and they were brought back to Dixon.

On greeting his son this morning, Mr. Starin asked the young man how he liked touring and the boy answered that it was great. They will return to Indiana. Mr. Starin is a dentist at Bloomington and Mr. Huntington is in the real estate and insurance business.

### TALK BY RADIO 4,600 MILES

Telephone by Wireless from Virginia  
to Hawaii.

New Haven, Conn., Oct. 1.—The statement was made by officials of telephone companies here that mid-night Thursday messages by wireless telephone were sent from the wireless telegraph station at Arlington, Va., to Honolulu, Hawaii, a distance of about 4,600 miles.

It is understood that these tests were additional to ones announced as having been made between Arlington and Mare island navy yard, a distance of about 2,200 miles.

### CATTLE BROKER IS INDICTED

James Dorsey Charged With Using  
Mails to Defraud.

Chicago, Oct. 1.—James Dorsey, a wealthy cattle broker of Gilbert, Ill., was indicted by the federal grand jury on a charge of using the mail to defraud in the sale of cattle. The indictment contains three counts, being dates on which separate sales were made.

He is charged with selling tubercular cattle, represented as having passed official tests, to farmers throughout the west and northwest.

### MET RESERVISTS IN DIXON

Passenger Agent of the Grand Trunk  
R. R. Joined Party Here

O. C. Bryant, traveling passenger agent of the Grand Trunk road, came to this city Thursday morning to meet a party of fifty Italian reservists from the west on their way to their native country to take up arms. They arrived here on train No. 10 and Mr. Bryant will accompany them over the Grand Trunk line as far as the Suspension bridge at New York city.

MONTFORT ELECTED.

Washington, Oct. 1.—Elias Montfort of Ohio was today elected commander in chief of the G. A. R.

## PROPERTY DAMAGE IN NEW ORLEANS IS SEVERAL MILLION

RAILROADS, SHIPPING, BOATS,  
ETC., SUFFERED SEVERELY  
FROM THE STORM.

### NINETEEN KNOWN TO BE DEAD

United States Converted Yacht Ram-  
med and Sent to Bottom—  
Many Barges Lost.

(Associated Press)  
New Orleans, Oct. 1.—Ten whites and nine negroes are known to have lost their lives and probably 200 were injured in Wednesday's hurricane. The damage to wires, buildings, railroads and shipping in New Orleans and vicinity is estimated at several millions of dollars.

Eleven small craft sank in the harbor, among them the United States converted yacht Stranger, which was assigned to the Louisiana militia and which was rammed by a huge dry dock.

Captain Menges and three of the crew of the tug Corasir were drowned in the Mississippi when the tug and 200 barges loaded with a million and a half dollars worth of oil went down.

Mobile, Ala., Oct. 1.—With a loss of five lives, 150 persons injured, and property damage estimated at \$1,000,000, New Orleans is recovering from the effects of the West Indian hurricane that struck the city.

Only meager wireless advices were received from the Crescent City, but these told of receding waters and abated winds and described conditions as "not very bad." Several trains reported lost were later found to be safe.

Memphis, Tenn., Oct. 1.—Seven or eight white persons and seventeen negroes were drowned and a score more injured at Frontier, La., in Wednesday's storm, according to reports to the office of the general superintendent of the Yazoo & Mississippi Valley railroad here.

## CAUSE FOR THANKS; TURKEYS PLENTIFUL

POULTRY DEALERS GIVE HAPPY  
NEWS—FOWLS WILL BE  
CHEAPER.

The dry early summer and dry late spring are responsible, it is said, for a large crop of turkeys which are, it is stated by poultry dealers, in prime condition. It is asserted the price of the holiday fowls should be cheaper than for many years.

Turkeys thrive in dry weather, it is said, and until they are several months old they cannot survive a rainy season. This is given as the cause of a dearth of turkeys the past few years, when there has been unusually heavy rains during the spring and early summer.

Poultry dealers state that there are in this section of the country twice the usual number of turkeys. The Texas territory already reports more fowls than in former years. These facts will, it is said, result in a slight decline in price. It is also stated by poultry dealers that there is a large supply of chickens, ducks and geese for this season.

### "LARRY" GAGIN IS DEAD

Well Known Northwestern Engineer  
Died At Home In Sterling.

(Special to Telegraph)  
Sterling, Oct. 1.—Laurence Gagin, known over the Northwestern territory as "Larry," for years the oldest engineer on the road and one of the fastest engineers in the company's history, died at his home here this afternoon at 2:15 o'clock after a two months' illness. For years "Larry" was the "Old Reliable" engineer of the Sterling passenger and as such established many speed records.

### STODDARD'S CLASS WILL HIKE

Boys of Pastor's Class To Spend Sat-  
urday In Country

The boys of Mr. Stoddard's class of the Baptist Sunday school will take a hike Saturday morning, leaving the church at 10 o'clock and will return to the city about 3:30 in the afternoon. Nobody can tell where the boys will camp for dinner and their destination is not known. The boys have promised to take the teacher exploring along the hills of the river. Mr. Stoddard is not a tenderfoot in hiking, but this will be his first trip with the Dixon boys.

## DEFENDANT WON FOR FIFTH TIME IN WEEK

FIVE JURIES IN CASES IN CIR-  
CUIT COURT RETURN IDENTI-  
TICAL VERDICTS

### DOG BITING CASE IS ON NOW

Will Go To Jury Late Today— Dam-  
age Case Next On The  
Trial List

The damage suit brought by Dama Gray against Samuel Goldman of Amboy for \$1,000 on the charge of a bull dog biting the plaintiff was taken up in the circuit court late Thursday afternoon. Attorneys Van Sant and Reese represent the plaintiff, and Attorneys Smith and Leech are for the defendant. A large number of witnesses have been called and the plaintiff did not rest that side of the case until about noon today. At the close of the plaintiff's case the attorneys for the defendant moved that the court exclude the evidence and direct the jury to find the defendant not guilty. The motion was overruled by the court and the defense then introduced their side of the case. It did not go to the jury till late this afternoon.

The jury in the case of Ben McWilliams against Aaron Eberle tried on Thursday in the court were out over an hour when they returned their verdict finding issues for the defendant. This was the fifth jury case tried during the week and in each instance the verdict was found for the defendant.

The appeal case of C. E. Walker vs. C. T. and L. D. Beitel was dismissed in court today on motion of the appellant.

Another damage suit will follow the one now before the court, being that of Otto Frey from the south end of the county against George Garich and Benjamin Feik. This is a suit brought by Mr. Frey to collect on damages done his automobile in a collision between three cars on the road north of Mendota during summer. The plaintiff alleges that the cars which struck him were on the wrong side of the road. Attorney Harry Edwards represents the plaintiff and Dixon & Dixon the defendants.

## THAT COLORED MAN'S CHICKEN APPETITE

LANDED HIM IN JAIL—TRIED TO  
CAPTURE FOWLS WITH  
CORN

With a few kernels of corn a big husky colored man was trying to tempt some chickens belonging to Charles Barton south of town, to come near enough so he might have spring chicken for breakfast but his plan was frustrated by Mr. Barton appearing on the scene. The stranger had been seen around the railroad yards for the past couple of days and after trying to capture some of Mr. Barton's springers the sheriff's office was notified and the man was caught in the stone quarry on the old Todd farm, west of the Illinois Central track.

The man gave his name as George McKay and he said he came from "nowhere." From the tattered condition of his clothing his statement might be readily accepted. His trousers were tied together while on his feet he wore a pair of old over shoes. He informed the sheriff that he slept in the bushes last night, but the night before the police gave him lodging in the lock-up. The stranger will be given a hearing late this afternoon or tomorrow morning on the charge of vagrancy.

### LEE CENTER RECOGNIZED.

Word has been received at the office of County Superintendent L. W. Miller that the Lee Center school has been placed on the recognized list by the state department of public instruction as a three-year course high school.

John Forrest, wife and daughter returned last evening from a trip through the east.

F. X. Newcomer and John Johnson drove to Ogle county today on business.

Deputy Sheriff Frank Schoenholz was in Lee Center this morning to serve some papers.

Sidney Lazarus and wife of Compton were visitors in this city today with friends.

## STEWARD GUN CLUB HELD RECORD SHOOT; MADE HIGH SCORES

LEADING PROFESSIONALS OF  
COUNTRY PARTICIPATED  
IN ONE EVENT.

### GRAHAM BROKE 145 STRAIGHT

All Scores Were Remarkable and Big  
Crowd of Spectators Had  
Great Sport.

The Steward Gun club held a most interesting shoot at their grounds near that village Wednesday, which was participated in by scores of sports men from the surrounding towns: Polo Dixon, Rockford, Mendota, Rockton, Rochelle, DeKalb, Morris, Ashton and Decatur. The leading gun and powder companies had men on the grounds, among the professionals being some of America's greatest shots, including Ed and Jay Graham, H. C. Kirkwood, W. D. Stannard, H. W. Cadwallader, Fred Bills, C. C. Mery, M. Dalton and Bart Lewis.

In the match for professionals Jay Graham of Ingleside and H. C. Kirkwood of LaGrange tied for first place, breaking 147 out of 150 birds; Fred Bills of Chicago and Bart Lewis of Auburn tied for second with 146 out of 150; C. C. Emery and O. P. Goode tied for third with 145 each, and W. D. Stannard of Chicago and Ed Graham of Ingleside were tied for fourth with 140 each.

The highest long run score for professionals was made by Jay Graham with 145 straight and for amateurs, Roy Jeter of Ashton made 58 straight for which he was presented with a very fine gold watch fob, the donation of the Hercules Powder Co.

The highest amateur scores were made by O. P. Goode of Chicago, first with 145 out of 150, other scores being:

Art E. Sheffield, Grand Detour, second . . . . .142  
Roy Jeter, Ashton, third . . . . .140

H. Kirkwood . . . . .147  
All records are targets broken out of a possible 150.

An idea of the magnitude of the shoot may be gained when it is stated that nearly 10,000 targets were thrown from two automatic traps before 5 o'clock in the afternoon.

## DIXON MAN LEAVES FOR NATIONAL SHOOT

FRANK SALISBURY TO JACKSON-  
VILLE, FLA., TO JOIN THE  
STATE TEAM.

Sergeant Frank Salisbury of Company G, who ranked second of the militiamen of Illinois in the recent state shoot at Camp Logan, thereby qualifying for a position on the state rifle team, will leave this evening for Jacksonville, Fla., where he will join the other Illinois sharpshooters in a national competition of national guard rifle teams.

Others Get Medals.

In the national guard shoot held at Camp Logan this week First Lieutenant C. G. Preston and Sergt. Wieher of Company G qualified in the regular army course, Mr. Preston winning marksmen's honors and Mr. Wieher sharp shooter's honors.

## Seeks Evidence In Dixon; May Be White Slaver

Peoria Attorney Spent Day Here  
Looking For Proofs  
In Case

Attorney Clyde Capron of Peoria spent yesterday in this city looking up evidence against one John Vaupel, who was here in June buying clam shells along the river for a button factory. It is stated that Vaupel travels in Illinois and Iowa among clamming camps to buy shells. While traveling along the Illinois river he met a married woman and it is alleged that he persuaded her to accompany him and that she came to Dixon with him on June 18. It was found that they had been here over night and left the following day for Sterling. Attorney Capron is endeavoring to find out if Vaupel bought a ticket for himself and companion to some point in Iowa, and if so a white slave charge may be preferred against him. The woman has returned home but refuses to make a statement, Attorney Capron went to Sterling today.

## NEW SCHOOL BUILT IN SINGLE SUMMER

PETERSON SCHOOL IS REPLACED  
WITH NEW BUILDING—  
ONE TAX LEVY.

### IS MADE A STANDARD SCHOOL

The school directors, patrons and friends of the cause of modern education, of school district No. 137, Alto town, otherwise known as the Peterson school, have shown a most commendable spirit of thrift and consideration, in working their old school building and building a new one on the same site.

This has been accomplished in one summer, by a single tax levy and without the issuance of bonds. Much of the old lumber was wrought into the new structure, but wherever new was needed, it was used.

The architecture of the building now occupying this beautiful site is in harmony with the recommendations of the proper school authorities, having many of the modern features of the Superior school at Scarborough. Ventilated cloak rooms, library room, and new furnishings throughout grace the new structure, and to say that the people of the district are proud of their school in putting it very mildly. They do not regret the expenditure of \$1,100.

Graded sizes of seats from the small number six to the largest number two, are installed. Frosted windows appear in the front of the room over the blackboards, and a room heater which circulates temperate fresh air belongs to the equipment. A large cement porch, finished in decorative cement extends the entire length of the west front.

Not always is a teacher held in such high esteem as the teacher who will preside over this school. Miss Minnie Tourtellott, daughter of Dixon's efficient chief of police, is the teacher. Miss Tourtellott is numbered among the courteous, cultured and highly efficient instructors of the county, ranking as a superior disciplinarian, proving her right to be so classed by conducting school without irritation or harshness—displacing such by sincere and sympathetic interest, and a native ability.

The members of this popular board of directors are L. O. Prestegard, president; S. J. Maekstad, clerk and Isaac Peterson.

A standard school plate now decorates the front of the building, placed there for the first time today.

## BIG BANKING FIRM REFUSES HELP IN FLOATING BIG LOAN

KUHN, LOEB & CO. WANT ASSUR-  
ANCES RUSSIA WILL GET  
NO BENEFIT.

### \$430,000,000 IS SUBSCRIBED

Although Subscription Books Are Not  
Yet Open, the Pledges Are  
Pouring In.

(Associated Press)  
New York, Oct. 1.—The banking house of Kuhn, Loeb & Co. of New York will not help float the half billion dollar loan to Great Britain and France because it is unable to obtain assurances that Russia will not benefit thereby.

The subscription books for the loan are not yet open, but it is reported that offers to buy bonds have reached the sum of \$430,000,000.

New York, Oct. 1.—It is estimated that at least \$430,000,000 of the \$480,000,000 which the American underwriting syndicate is to furnish Great Britain and France as a credit to stabilize foreign exchange, was on the books of syndicate members within twenty-four hours after the first announcement was made.

These subscriptions came, it is said, from New York, Chicago, Boston, which takes in New England; Philadelphia, Baltimore, Pittsburgh, Minneapolis and St. Paul.

The proportion as estimated was: New York, \$200,000,000; Chicago, (as center of district), \$50,000,000; Boston and New England \$30,000,000; Philadelphia, (as a center), \$25,000,000; Pittsburgh, \$20,000,000; Minneapolis and St. Paul, \$10,000,000.

No estimate was made for Cleveland, which is reported most enthusiastic over the loan, nor for Omaha, Kansas City, Denver, Portland, Oregon and other cities, where equally favorable reports are received.

Chicago Down for \$50,000,000.

Chicago, which is put down for \$50,000,000 has shown more interest in the loan since the return of Lord Reading and his fellow commissioners and word comes that a syndicate group will be organized there. There may not be many Chicago banks in the group, but there will be individuals, private banking institutions and banks from other sections where the German sentiment is not so strong. One dispatch from Chicago promised \$100,000,000, but the amount is placed at one-half. The word from Boston declared that not only in the wealthy investing classes of that city will the bonds find favor but in every one of the manufacturing centers of New England. It was the same way from Philadelphia, while Pittsburgh has already committed itself to its \$20,000,000, Minneapolis and St. Paul, which will speak for the great wheat growing belt, will probably want more but that amount is said to be in sight. James J. Hill is said to have taken \$25,000,000 of the bonds as an individual.

No estimate is put down for the Canadian subscriptions nor for the subscriptions that are expected to come from England itself to say nothing of Holland and other wealthy neutral countries. The loan will have an extra attraction for Britons who are likely to subscribe through New York institutions as will Holland. The Canadians will use banks of Boston, New York and Chicago.

By GEORGE FITCH  
Author of "At Good Old Siwash"  
VIGILANCE COMMITTEES

The vigilance committee was an institution which flourished in California at a time when justice was not only blind but was paralyzed in both arms and had a wooden leg.

When gold was discovered in California in 1849, thousands of people arose from various places and hustled out to the coast. Some of these were estimable gentlemen and others were hyenas who had degenerated a good deal.

There was a great deal of free-hand murdering in California in those days and large numbers of alleged humans took a pride in boring a hole through a total stranger in a workmanlike manner. In the course of time San Francisco acquired quite a number of citizens who felt dull and listless all day if they did not shoot a man before breakfast.

There was some government of course, but not enough to interfere with anyone's pleasure—about as much as there is in Terre Haute, Ind., during an election. The quick-tempered citizens with the convulsive trigger fingers went on shooting people for breathing the air in their vicinity until something had to be done about it.

At this point a large number of citizens organized a scientific society. The object of the society was to discover whether a gunman and general desperado would remain healthy after being hung from a telegraph pole by the neck.

A large number of experiments were carried out with great enthusiasm. At length they were discontinued for two reasons. In the first place, the society came to the reluctant conclusion that hanging a desperado by the neck was invariably fatal. In the second place there were no desperados left to hang.

Vigilance societies are a little out of fashion now, but a modification of the old organization might be very useful in every American city that is cluttered up with inspectors who don't inspect. If Chicago had had a vigilance society poking around into conditions for the last few years and pointing out things with long bony forefingers the Eastland would probably have carried 500 people out into the lake last July in perfect safety.

## Government To Spend Big Sums For Better Farming

Washington, Oct. 1.—Four million, seven hundred and fifty thousand dollars is to be spent on farm demonstration work in this country next year, according to an announcement by the department of agriculture. Of this sum \$86,530 is to be spent in Michigan, \$1,717,279 in Ohio, \$182,362 in Indiana, \$142,539 in Illinois, \$217,628 in Iowa and \$127,721 in Minnesota.

From the treasury of the United States will be paid a large part of the money to carry on the work. The federal payments for the United States will amount to \$1,080,000. All except that paid by the federal government is raised within the state, county or locality in which the work is carried on.

The statement of the department shows that a large part of the money to be spent by the federal government this year is provided by the Smith-Lever act which ultimately will give \$4,580,000 a year for farm demonstration and home economics work.

**\$10,000 for Each State.**  
Under the terms of the act \$10,000 of federal fund is appropriated annually to each of the 48 states. In addition to the \$480,000 the act provides for next year \$600,000 of federal Smith-Lever funds. The sum will be increased annually \$500,000 until 1923 when the maximum government appropriation of \$4,580,000 will be reached.

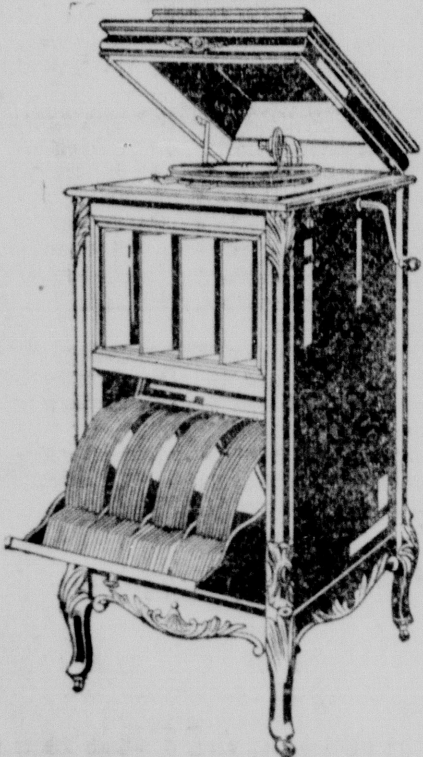

The additional appropriation is divided among the states in the proportion that the rural population of each state bears to the total rural population of the United States. Any state to share in this federal fund must appropriate and spend in extension work at least an equal amount of money from all sources within the state. The money from the states will bring the joint demonstration fund to \$1,680,000 this year.

In addition to the Smith-Lever fund however, the department of agriculture during 1916 will expend from its own appropriations for farmers' cooperative demonstrative work and for other direct field instruction in special subjects over \$1,025,000.

## WILL DROP CURTAIN ON LOCAL BASE BALL

CHICAGO UNION GIANTS MEET HOME GUARDS IN FINAL GAME SUNDAY.

The curtain will be rung down on the local baseball season at Lincoln Park at 3 o'clock Sunday afternoon, when the Dixon Home Guards, reinforced by several out of town artists, will tackle the Chicago Union Giants, acknowledged champion colored team of the world. The Giants have been traveling and are now enroute back to Chicago. The management of the Home Guards, as a fitting close for the season, has secured them for the final game here at an expense much in excess of that attached to any previous game this season, and the fans should turn out liberally to show appreciation. The Dixon team will line up:

Stratton or Schultz, c; Lightner or Huber, p; Whitebread, 1b; Malach, 2b; Hegan, ss; Real or Duffy, 3b; Devine, rf; Curran, cf; Heft or Larkin, lf.

## FRECKLES

Don't Hide Them With a Veil; Remove Them With the Othine Prescription.

This prescription for the removal of freckles was written by a prominent physician and is usually so successful in removing freckles and giving a clear, beautiful complexion, that it is sold by druggists under guarantee to refund the money if it fails.

Don't hide your freckles under a veil; get an ounce of othine and remove them. Even the first few applications should show a wonderful improvement, some of the lighter freckles vanishing entirely.

Be sure to ask the druggist for the double strength othine; it is this that is sold on the money-back guarantee.

# Your Last Chance. Sale Ends The Hoosier Wonder

## Decide Now

You've been studying these ads all this week. Other men's wives have already been here. They have saved miles of steps today with their Hoosier Cabinets.

You have been waiting and wishing and hoping all your married life for just such a kitchen cabinet, and this new Hoosier is truly a wonder of convenience at a price within reach of every woman. The sale ends tomorrow.

**\$9 Less Than Standard Prices**

A properly equipped kitchen is one of the natural rights of every good housekeeper. Decide now to come down and see the new Hoosiers which you know you need, before it is too late to benefit by the terms of this liberal offer.

Come early. We doubt if there will be a Hoosier left in our store tomorrow night.

**\$1 Puts One In Your Home**

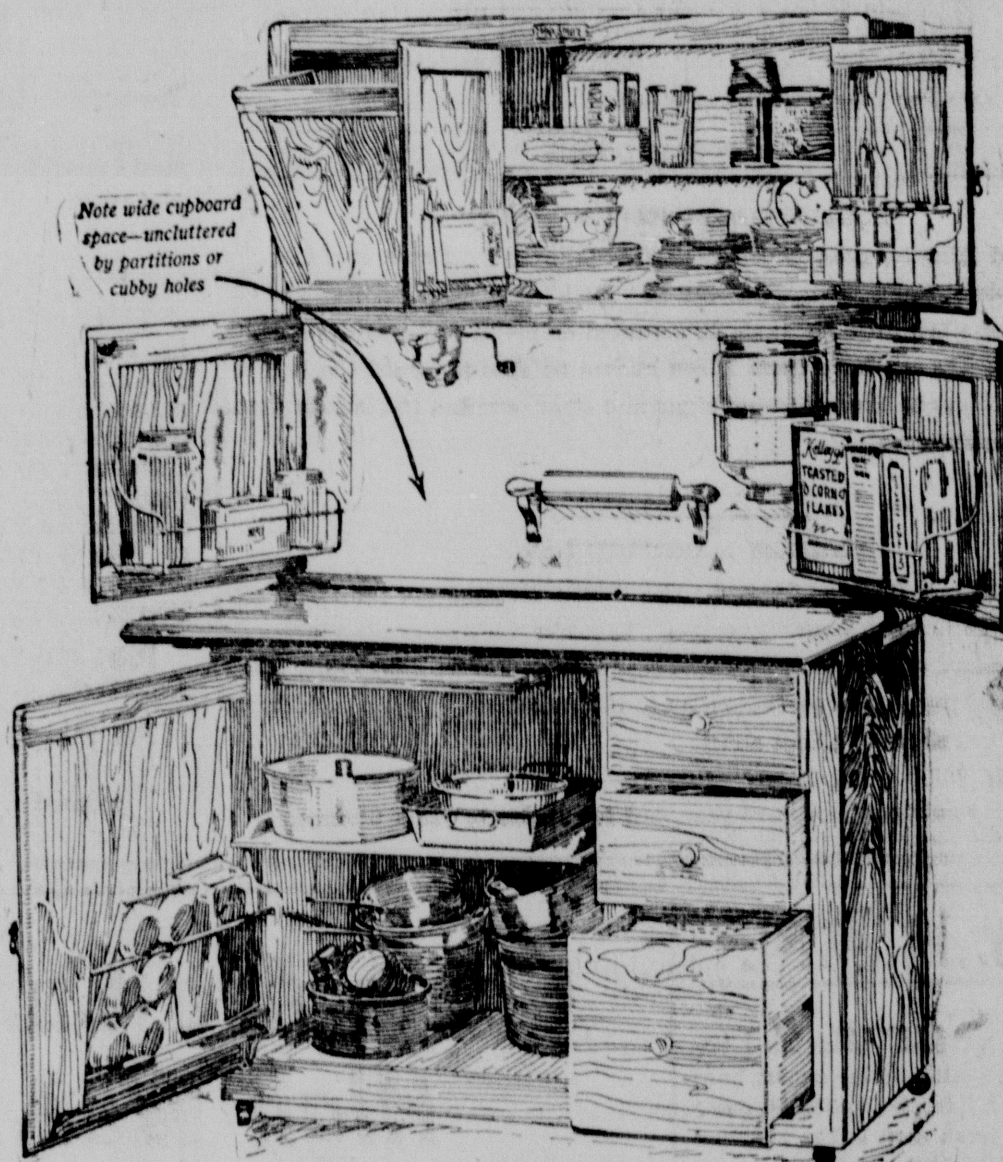

There is not a penny extra to pay for interest or fees of any kind simply \$1 now, then \$1 a week as the cabinet pays for itself. No woman can afford to get along without a Hoosier Cabinet when she can get such great convenience at these unheard-of prices on such liberal terms.

Those who come early tomorrow may still choose among the following other new Hoosier models, everyone of which is the best at its price.

## Hurry Tomorrow

If there is any man or woman in town who is still uncertain about purchasing a Hoosier Cabinet after reading this ad, come down tomorrow without fail, and convince yourself once for all whether you want to go on working as labor and money it is saving for other women.

It won't take you five minutes to decide. Come first thing tomorrow morning before you are too late for this remarkably liberal opportunity.

This is the "HOOSIER WONDER" \$9 Below Standard Price

## Compare These:

**Hoosier Special** Midway between Hoosier Wonder and

**Hoosier Beauty** in convenience—equal to Hoosier Beauty in size.

**Hoosier Beauty** The National Step-Saver; greatly improved; most practical kitchen cabinet in world; outsells all others.

**"Roll Door" Hoosier** The only kitchen cabinet with sanitary, removable roll doors. No cubby holes or pockets to breed dirt.

**Hoosier DeLuxe** This is Hoosier Beauty white enameled all over—a cabinet of remarkable beauty.

## Notable Features

"Cleanliness" and "convenience" are Hoosier watchwords.

Note the improved sanitary end where no dust can lodge.

—The wide uncluttered cupboard space above the table.

—The deep roomy drawers.

—The pure aluminum table.

—The high grade white enamel cupboards on all models.

—These and forty labor-saving devices give the Hoosier unrivaled convenience.

The men who make Hoosier Cabinets take pride in the fact that no Hoosier yet has worn out—you can buy any Hoosier with assurance of lasting service.

## STREET SIGNS NEEDED BADLY.

A good thing for the city commission to take up right now would be the matter of street signs. Here is a detail in "finish" that has been sorely needed for a long time. Neat metal signs, mounted on metal posts, are the thing. If Morrison, Ill., can have them Dixon should be able to afford the luxury. It looks shiftless to have no street signs and strangers find the lack of them a great inconvenience.

## TIGHTEN MARRIAGE LAWS.

Judge Jas. J. Baume of this district thinks divorces are too easily obtained, and he is most assuredly correct. Lax divorce laws are conducive to a lower standard of morals and a resulting low standard of citizenship. Good marriage laws form an important stone in the foundations of the security of the state. They should be kept strict.

This may not be a good corn year, but for apples it was a whopper.

## PRINCESS THEATRE.

Tonight a two reel Thanhouser feature with Helen Badgley in the leading role will be shown at the Princess theatre; this feature is entitled "Helen's Babies," taken from the book by John Habberton and will please every one as it is cleverly produced and acted by a splendid cast. The other pictures are The Mutual Weekly showing current events throughout the world. The last reel is a comic comedy entitled "The Jinx on the Jinks" with Pearl Elmore in the leading role, a comedy with plenty of fun and laughter.

## FAMILY THEATRE.

The opening of the Family theatre last evening under new management with four acts of high class vaudeville and the new \$5000 pipe organ, was the most important theatrical event in the city in years and the theatre-going public turned out en masse to show their appreciation of Manager Rorer's efforts. The bill, consisting of The Fashion Review, the Two Musical Brannins, Franceska and Jackie, the thinking and talking bffs, and Bell & Hall, comedy entertainers, was the brightest and most diversified ever given here and if this is a criterion of what is to follow the new management may rest assured that the new policy of the Family is a success from the start. One noticeable feature was the elimination of all advertisements on the screen and to say that their absence was enjoyed would be putting it mildly. Too much cannot be said in praise of the new pipe organ, with cathedral chimes, xylophone, humophone and other attachments which allow orchestral combinations that are most wonderful and delightful, and Mr. Arthur Freeman, the young man who presides has proven himself an artist on the instrument.

The entire entertainment last evening was an unqualified success and the proprietor, Leonard Rorer, and Manager Smith are to be congratulated.

## EVENSON IMPROVES.

In a letter received yesterday from Agent C. S. Evenson of the Northwestern road in this city, who has been at Mt. Clemmons, Mich., for the past two months, he writes that he is feeling better and hopes to be able to return to this city within the next few weeks.

John Bennett went to Peoria yesterday to spend a few days at the implement show which is being held this week.

## KILLS MOTHER; SLAYS SELF

Detroit Embezzler Explains His Suicide Would Kill Her Anyway

Detroit, Mich., Oct. 1.—Fearing exposure and arrest for a shortage in his accounts, believed to total several thousand dollars A. James Glasscock, a salesman, shot and killed his aged mother and then ended his own life at their home on Jefferson avenue.

A note explained that he was "taking mother with him because my act would probably kill her anyway."

## Killed While Hunting.

Terre Haute, Ind., Oct. 1.—Patrick S. Casey, aged fifty-five, was accidentally shot and killed when hunting, near the summer home of John Bodevine, five miles northwest of the city, in Fayette township, Vigo county.

## BUILDING COMMITTEE MET

The special building committee of the board of supervisors held their monthly meeting today and made a thorough inspection of the work that has been done on the new county infirmary.

## COLUMBIA GRAFONOLA SHOP

## TO BE OPENED TOMORROW

W. J. Smith will open the Columbia Grafonola Shop tomorrow at 213 W. First street, located with the Electric Shop, and extends a cordial invitation to everyone to call and hear any of the fifteen machines play and hear your favorite numbers. A complete line of all Columbia records will be kept in stock so that in the future it will be unnecessary to send out of town for any numbers.

A Sure Way To  
End Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

## GIRLS! GIRLS! TRY IT! STOP DANDRUFF AND BEAUTIFY YOUR HAIR

Hair stops falling out and gets thick,  
wavy, strong and beautiful.

Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a "Danderine hair cleanse." Just try this—mosten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt and excessive oil and in just a few moments you have doubled the beauty of your hair.

Besides beautifying the hair at once, Danderine dissolves every particle of dandruff; cleanses, perfumes and invigorates the scalp, forever stopping itching and falling hair.

But what will please you most will be after a few weeks' use when you will actually see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair and lots of it surely get a 25-cent bottle of Known's Danderine from any druggist or toilet counter, and just try it.

## EMORY SANTEE PASSED AWAY

Former Dixonite Died At Marshalltown, Ia., Thursday

J. M. Santee went to Marshalltown, Ia., this morning in response to a telegram announcing the death there Thursday of Emory Santee, formerly of Dixon. Mr. Santee, a member of Cheaney's battery during the Civil war, was a farmer in the vicinity of Dixon for many years and will be remembered by many in this community.

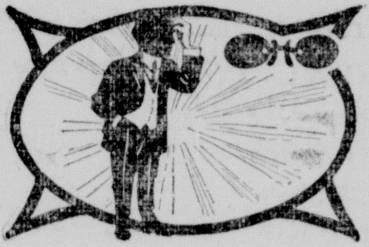

Miss Helen Miller is the guest of Mrs. E. M. Goodsell for the day.

SERVICES FOR MRS. A. H. STODDARD AT HOME AT 3:30  
P. M. SATURDAY

The funeral of Mrs. A. H. Stoddard, who passed away Thursday afternoon at the Katherine Shaw Bethea hospital, will be held at her late home, 502 E. Third street, at 3:30 o'clock Saturday afternoon. Rev. A. J. Holland, pastor of the First Presbyterian church, officiating and with interment at Oakwood.

Miss Margaret Phipps came to this city as the bride of Prof. A. H. Stoddard from Erie, Pa. They were married in that city twenty years ago this coming Christmas and came at once to Dixon. During her residence in Dixon her kindness won for her many friends and in this circle her womanly grace and charm was a constant cheer and help.

When life was at its bright meridian, Mrs. Stoddard was stricken with a complication of diseases. This was early last February and since that time she has gradually grown weaker. Occasionally, during the summer, she was able to enjoy a short drive, but most of the time she was confined to her home and to bed. At times her suffering was intense. Through these months a devoted husband and friends did all in their power to alleviate her suffer-

ing. Patient and uncomplaining, Mrs. Stoddard bore her affliction with splendid Christian fortitude.

She realized her earthly pilgrimage was nearing its end and planned as best she could for its coming. She arranged for a simple funeral and requested that the burial be in the peaceful mellow light at sundown.

Miss Edna Fish visited her mother in Forrester yesterday and attended the Sauer Kraut day celebration.

## Train Victim Dies.

Peoria, Ill., Oct. 1.—Harold Leahy, aged twenty-four, of Galesburg, died in a local hospital, where he was taken after falling under the wheels of a Rock Island train. The victim is a son of Mr. and Mrs. William Leahy, 246 East Fifth street, Galesburg, Ill.

## Pennsylvania Bars Illinois Cattle.

Pittsburgh, Oct. 1.—C. J. Marshall, state veterinarian of Pennsylvania, has issued an order closing Pennsylvania against live stock from the districts in Illinois which are under quarantine because of the foot and mouth disease.

## 2-Year-Old Apple Still Good.

Naples, Ill., Oct. 1.—Mrs. Joseph Hatfield of Naples has two apples which were grown two years ago on the farm of Pete Haley in Pike county. One of the apples is as firm as the day it was picked.

## To Attend Wedding

Henry Bischoff will be out from Chicago this evening to spend Sunday here at the Paul Lord home and to attend with Mrs. Bischoff, who has been visiting her parents here for some time, the Hartwell-Morris wedding tomorrow.

## In Palmyra

Mr. and Mrs. John Gaulrapp were entertained yesterday at dinner at the Ralph E. Johnson home in Palmyra.

## Luncheon and Shower

Misses Jessie Wold and Pearl Johnson entertained delightfully last evening at a luncheon and miscel-

laneous shower for Miss Ruth Graehling who is to become the bride of Harold Emmert next week.

Decorations were in red and white with a basket of red and white roses suspended over the table with crepe paper festoons to the corners of the table. In the center of the table stood a Kewpie couple, bride and groom, mounted on a huge red and white heart. Crystal candlesticks with red candles with red candles stood at each place, and a white rose place cards with quaint sentiments

was the favor for each guest. Special decorations marked the chair of the bride-to-be. Hand painted were used. Covers were laid for ten.

Features of the luncheon was the determining of the next fortunate one by the diamond, wedding ring, and thimble method in a wedding cake, and the blowing out of the lighted candles. Miss Lucila Johnson was much chagrined to find the thimble in her piece of cake while Miss Pearl Johnson and Miss Violet Graehling were the lucky finders of

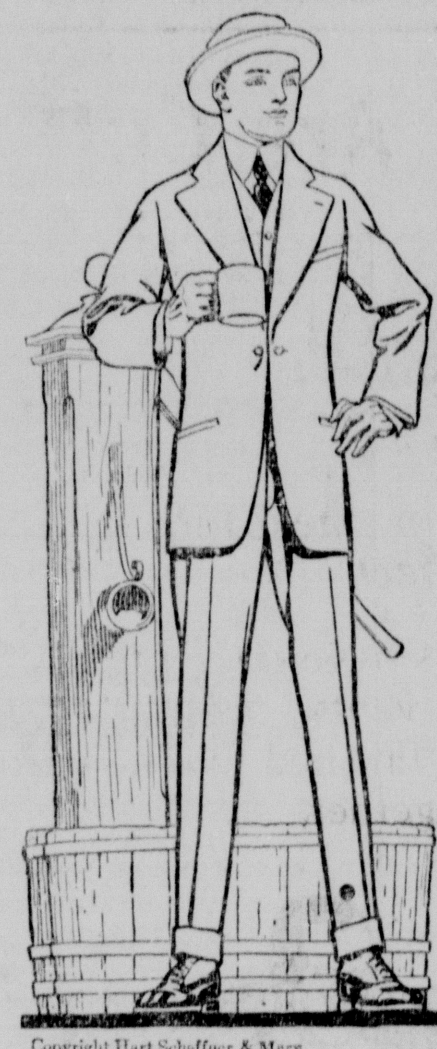

diamond and wedding ring. Miss Esther Baughman's candle went out first.

Miss Graehling received a number of handsome presents, when the carefully wrapped packages were shown upon her. The remainder of the evening following the luncheon was spent in playing "500" and in music.

J. U. Weyant and F. X. Newcomer were in Leaf River yesterday looking after some property they have there.

## IN SUCH PAIN WOMAN CRIED

Suffered Everything Until Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Florence, So. Dakota.—"I used to be very sick every month with bearing down pains and backache, and had headache a good deal of the time and very little appetite. The pains were so bad that I used to sit right down on the floor and cry, because it hurt me so and I could not do any work at those times. An old woman advised me to try Lydia E. Pinkham's Vegetable Compound and I got a bottle. I felt better the next month so I took three more bottles of it and got well so I could work all the time. I hope every woman who suffers like I did will try Lydia E. Pinkham's Vegetable Compound."—Mrs. P. W. LANSING, Box 8, Allen, Wash.

Why will women continue to suffer day in and day out or drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

For thirty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, tumors, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

## DIMMERS ARE BIG NECESSITY ON AUTOS

"The ordinances which many cities are now enforcing in regard to automobile headlights make dimmers necessary on all cars," says a well known auto expert.

"There are several ways of dimming the bright headlights to comply with these ordinances. The better method, and one in use on all the best cars, is what is called the series-parallel system. By the way of wiring, the same bulbs are used for bright and dim lights. When burning bright the lamps are connected so they operate on the full voltage of the battery. But when dimmed, the connection is so that the lamps are only half voltage.

"This practice reduces the current consumption to a minimum. When the lights are dimmed, about 3/4 of the current is saved. Such economy does away with storage battery trouble and consequent repair bills. This saving of current commends the series-parallel dimming arrangement to all car owners.

"In some cases two bulbs are used in each lamp, a large one and a small one. The large bulb is used for country driving and in places where bright light is necessary. The small one is used in cities to give the dim light. This method involves the use of two separate systems of wiring for the two lights and consequent chances for electrical trouble. The renewal of the two extra bulbs from time to time is not a small item in the expense account.

Another method of dimming is the incorporation of resistance in the lighting wiring. No extra bulbs are used but when the lights are dimmed, part of the current is absorbed by this resistance. It can easily be understood that this is a very wasteful practice, as practically the same amount of current is used whether the lights be dimmed or bright."

## NEW PASTOR TELL OF HOPES AND PLANS

REV. G. W. STODDARD OUTLINES HIS POLICY TO MEMBERS OF THE CHURCH.

At the annual business meeting of the members of the First Baptist church, which was held at the church Wednesday evening a report of the election held in connection therewith being published in Thursday evening's Telegraph, Rev. G. W. Stoddard, the new pastor, delivered a short keynote speech in which he outlined his hopes and plans for the church work here. He began to talk about the means by which the higher Christian life may be attained, pointing out several things as aids to this end. He declared that we are servants of God, and that we must be engaged in the Lord's work. There are a great many people who call themselves Christians but have no conception of Christian service—they attend church, pay the preacher, sing hymns, say prayers—that's all.

After the speaker told about unprofitable and lazy church members he made an earnest plea for practical Christianity. Evangelism, social service and missionary enterprise. He took occasion to mention an aggressive, evangelistic and social program which he proposes to put in force in this city. Those principles which have characterized his ministry in other cities.

His inaugural address was enthusiastically received by the members. There was a deep spiritual feeling, together with a spirit of true optimism, that the church had entered upon a new epoch in its history.

## FOOT BALL LID WILL COME OFF TOMORROW

UNION HIGH SCHOOL TEAM TO OPEN SEASON AGAINST DEKALB HIGH

The Dixon union high school football team, after three weeks of excellent practice, is pronounced fit and ready for the opening game of the local season at Athletic park at 3 p. m. tomorrow, and the students of the local schools are getting ready to give their gridiron heroes a royal sendoff and proper support from the sidelines.

The DeKalb township high school team will be the opponents of the Dixon lads in their first contest, and reports from the Barbed Wire city indicate that the lads from this city will have their work cut out for them, as the DeKalb is claiming one of its best teams in years.

## YOUR BILIOUS! LET "CASCARETS" LIVE LIVER AND BOWELS

Don't stay headachy, costipated, sick, with breath bad and stomach sour

Get a 10-cent box now. You men and women who can't get feeling right—who have headache, coated tongue, bad taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have a bad cold.

Are you keeping your bowels clean with Cascarets, or merely forcing a passageway every few days with salts, cathartic pills or castor oil? Cascarets work while you sleep; cleanse the stomach, remove the sour, undigested, fermenting food and four gases; take the excess bile from the liver and carry out of the system all the constipated waste matter and poison in the bowels. A Cascaret tonight will straighten you out by morning—a 10-cent box form any drug store will keep your stomach sweet, liver and bowels regular, and head clear for months. Don't forget the children. They love Cascarets because they taste good—never gripe or sicken.

## John Hancock—"Father of the Revolution"

UPON the Declaration of Independence his name may be read without spectacles. His signature was the first subscribed to the world's most famous State document. In the most realistic sense John Hancock pledged his life and his fortune to the cause of the Revolution. He was one of the richest men in the colonies, holding investments in banks, breweries, stores, hotels, and also owning a fleet of vessels. The seizure of one of these precipitated the Boston massacre. In Revolutionary days and until his death he was a popular idol. When it was proposed to bombard Boston, though it would have resulted in greater personal loss to him than to any other property owner, he begged that no regard be paid to him because of his financial interests. While Hancock did not sign the Constitution of the United States, he used his great influence in its behalf, which awakened the gratitude of Washington. "He was prepossessing in manner, and passionately fond of the elegant pleasures of life, of dancing, music, concerts, routs, assemblies, card parties, rich wines, social dinners and festivities." Until the end of his life the people of Massachusetts delighted to honor him. In the stirring events preceding the Revolution he was one of the most active and influential members of the Sons of Liberty. To this tireless worker for American Independence Liberty was the very breath of life. He would have frowned upon any legislation which would restrict the natural rights of man, and would have voted NO to prohibition enactments. It was upon the tenets of our National Spoken Word that Anheuser-Busch 58 years ago founded their great institution. To-day throughout the length and breadth of the Free Republic their honest brews are famed for quality, purity, mildness and exquisite flavor. Their brand BUDWEISER has daily grown in popularity until 7500 people are daily required to meet the public demand. Its sales exceed any other beer by millions of bottles.

**NOTICE OF AWARD OF CONTRACT**  
PUBLIC NOTICE IS HEREBY GIVEN That the Board of Local Improvements and Council of the City of Dixon, in the County of Lee and State of Illinois, at an adjourned regular meeting of said Board and Council held jointly at the Council Room in the City Hall in said City of Dixon, at ten o'clock on Thursday the 30th day of September, A. D. 1915, awarded a contract for furnishing all material, tools, machinery and labor for the construction of cement sidewalks on certain streets in the City of Dixon as provided for in Local Improvement Ordinance No. 175, Series of 1915, to William Ruggles of Dixon, Illinois.

The said William Ruggles was considered by said Board to be the lowest responsible bidder, who submitted a proposal to furnish all material, tools, machinery and labor for the construction of said improvement.

That the price at which said William Ruggles was awarded said contract is approximate quantities:

450 cubic yards of gravel with sand filler, flushed and tamped in foundation at Ninety cents (90c) per cubic yard.  
24260 square feet of cement sidewalks at Nine and One-tenth (9 1/10) cents per square foot.

That said Board will on or after the 12th day of October, A. D. 1915, enter into a contract with said William Ruggles to furnish all tools, machinery, materials and labor for said improvement, unless the requisite number of property owners or their agents, who shall take oath that they are such owners or agents shall within ten (10) days after the first publication of this notice enter into a written contract to do the whole of said work at ten (10) per centum less than the price at which the same has been awarded and commence said work within thirty (30) days after such publication and prosecute the same with diligence.

Dated at Dixon, Illinois, this 1st day of October, A. D. 1915.

Valentiner of Earlville, and the afternoon service will be in charge of Rev. E. Beyer of Sterling, followed by another address of Rev. Valentiner. Large numbers of visitors from Sterling, Rock Falls, Franklin Grove and other neighboring towns have announced their coming.  
The morning service will begin at 10:30 and the afternoon service at 2 o'clock.

## PLAIN QUESTIONS TO DIXON PEOPLE

EVERY DIXON READER WILL ADMIT THE SOUNDNESS OF THE LOGIC

Would Dixon people recommend Doan's Kidney Pills as they do if the medicine were not reliable? Would they confirm their statements after years have elapsed if their experiences did not show the remedy to be deserving of it? Statements like the following must carry conviction to the mind of every reader:

John Edons, 812 W. Fifth St., Dixon says: "I suffered from a lame back and my kidneys were out of order. Doan's Kidney Pills, procured at Leake Bros. Co.'s Drug Store, removed the lameness in my back and regulated the action of my kidneys. Another of the family got permanent benefit from Doan's Kidney Pills." (Statement given July 5th, 1910.)

OVER FOUR YEARS LATER, Mr. Edons said: "I still use Doan's Kidney Pills when I feel any symptoms of kidney trouble and they never fail to help me."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Edons had. Foster-Milburn Co., Props., Buffalo, N. Y.

## DEDICATE BUILDING TO OLD PROFESSOR

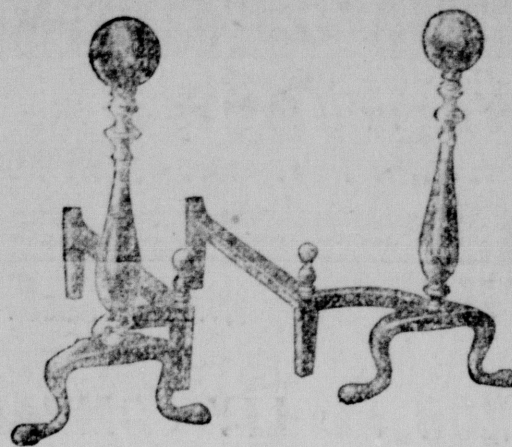

A MILLION DOLLAR STRUCTURE FOR UNIVERSITY OF MICHIGAN IS PLANNED.

Ann Arbor, Mich., Oct. 1—The 60 years of public service rendered by Dr. James B. Angell, president emeritus of the University of Michigan, in education, diplomacy and journalism, are to be crowned by the building in his honor of a \$1,000,000 structure on the campus of the University. Into the local offices of the committee, charged with the campaign to raise the funds for the construction and endowment of the Michigan Union clubhouse, there have been pouring lately from every state in the Union, and from all parts of the world, suggestions and demands that the new building be dedicated to Dr. Angell, for 44 years actual or titular head of the institution.

Dr. Angell now is in his 87th year. Since 1908 he has been relieved of the burden of active administration of the presidency of the University of Michigan, retiring at his own request about the same time his distinguished associates in the educational work of the nation—Dr. Charles W. Eliot, of Harvard, and Cyrus K. Northrup, of Minnesota, laid down the reins of their institutions. One of the buildings is devoted to the uses of women of the University—Sarah Caswell Angell Hall—and is a memorial to his wife.

## HAS FINE PERCHERONS

Supervisor John D. Drew of Palmyra township has a span of five-year-old Percheron horses on his farm of which he is especially proud. Both animals are thoroughbreds, the horse weighing 1910 pounds and the mare 1900.

The pleasant part of the chilly Autumn evenings is the enjoyment and comfort of your fire-place—and no fire-place is quite complete without a pair of AND-IRONS. We are showing a variety—all of which are reproductions of old-time shapes of artistic merit. They cost from \$3.25 to \$5.00 a pair.

We also show Coal Grates for fire places which may be set directly on the hearth or laid across the Andirons.

As sure to rise as the Sun

You can't always make everything "just so." Sometimes you will get in more shortening than usual, or make the batter a little thin; or it may not be convenient to put a cake in the oven the moment it is mixed; or your oven may not bake evenly and it is necessary to turn the pan around—none of these little uncertainties make the slightest difference in results if you use

## KC BAKING POWDER

This modern, double-raise baking powder has unusual strength and is absolutely certain to raise your biscuits, cakes and pastry light and feathery. It generates an abundance of leavening gas both in the mixing bowl and in the oven. The raising is sustained until the dough is cooked through.

Housewives who use KC never have "bad luck" with their baking. Try KC at our risk. Your grocer will refund your money if you are not pleased in every way.
